Hors d'oeuvres by the dozen can also be set up as a "stationary" display for your cocktail hours, open house, parties etc. Please keep in mind that a larger quantity will be required, as your guests will be helping themselves. We suggest at least 4-5 per person for "pre-dinner" cocktail receptions and at least 8-10 ++ for "stationary style" parties. The three tiered display is better for groups over 75, we can do 2 tiered displays for smaller parties.
